

REMARKS

The specification has been amended for clarity and accuracy of the description. The figures have been re-numbered and described in more proper form and some of the figure numbers have been corrected in the description.

The drawings have been amended to more clearly and accurately show element numbers, to label the figures properly, and to show element 30, in phantom. The solid black areas of Figure 2 have been removed. No new matter has been added by the requested amendments.

Prompt and favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,

A handwritten signature in cursive script, reading "Rebecca J. Brandau", written over a horizontal line.
